MEMORANDUM FOR: ASSISTANT DIRECTOR/CURRENT INTELLIGENCE

SUBJECT: [REDACTED] Teletype and Telecrypto Machines

25X1

1. I am informed that either the Army or the Air Force has acquired a pair of the above teletype machines. I think it would be desirable to find out how much these cost, through what channel they were purchased, and whether they could be made available to the AFSA people.

2. I think the clearest way to get a quotation on the machines and leave us out of it is to have the State Department request [REDACTED]
